Introduction

Once you have completed the application form, please convert this form into a PDF file and send it to Edyta Milewska, edyta.milewska@p.lodz.pl.

Before starting, **Please Note:**

- You can fill this form **ONLY** as a team (minimum 5 members and maximum 8 members).
- Research Infrastructure Commercialization Academy call opens on **3rd October** and closes on **10th October 2022**. The organisers can extend the application deadline at their own discretion.
- To be eligible for Research Infrastructure Commercialization Academy, you must be **working** at Lodz University of Technology at the time of application.
- To be eligible to Research Infrastructure Commercialization Academy, your department/ institute/ laboratory/ centre must **own publicly funded research infrastructure** (see research infrastructures definition [HERE](#)) in one of the EIT Food focus areas, including targeted nutrition, sustainable aquaculture, sustainable agriculture, alternative proteins, digital transformation and traceability, and circular food systems.
- To be eligible to Research Infrastructure Commercialization Academy, you must be involved in management and commercialisation of publicly funded research infrastructure (e.g. scientist, manager/director, specialist/technician, researcher, visiting researcher, research assistant, commercialisation specialist, IP specialist, etc.)
- Section “**Innovators 6, 7 & 8**” (optional) must be filled out if your team composed of more than 5 members (page 13-18 of the application form).
- Please describe your research infrastructure carefully as instructed on pages 18 and 19.

All fields are mandatory (*)
