2. Specification of the terms and conditions of employment and authority associated with the position.

The job offer concerns a position in the Institute of Marketing and Sustainable Development in the Faculty of Organisation and Management of the University of Łódź. Full-time position. The job is expected to start in September 2023

The ESR will work within **Institute of Marketing and Sustainable Development** on the research project "Sustainability and Procurement (SAP) tools for circular textiles".

The ESR will work under the supervision of Associate Professor Malgorzata Koszewska and the co-supervision of Associate Professor Eva Birgitta Andersson Strand (University of Copenhagen).

The ESR will be offered an international, interdisciplinary and intersectoral training and will include a structured mobility to up 3 months in the Universities and Partner Organisations of the Consortium for the entire project duration that will include:

- Fair Trade Advocacy (2m research SDG awareness in the clothing industry; training on assessing sustainability in the supply chain of uniforms;
- ISLE Association (1 m participation in dissemination and awareness raising on sustainable PP practices for uniforms

The offered position is available with a fixed starting date in September 2023 for a maximum duration of 13 months with a full-time commitment to work exclusively under the action.

Benefits

The ESR will be part of a community of ESRs based in 10 SAPIENS partner universities and will benefit from the exposure to an intersectoral and international working environment.

Candidate will get a very attractive salary plus an allowances package in accordance with the Marie Skłodowska-Curie Actions (MSCA) rules and the personal circumstances of the applicant.

The gross salary will be 2.468,85 €/month, plus a mobility allowance of 600 €/ month and, if due, a family allowance of 500 €/ month.

The Faculty does not provide accommodation.

3. Description of the expected responsibilities and duties.

The selected candidate will publish at least 2 publications in the Web of Science or Scopus indexed Journals as an Early Stage Researcher – ESR within the EU-funded H2020-MSCA-ITN Project "Sustainability And Procurement in International, European, and National Systems" (acronym SAPIENS – GA n. 956696).

The project's objective is to foster interdisciplinary research into the evolving use of public procurement (PP) to address the social and environmental challenges of the 21st century with a view to create a significantly

Politechnika Łódzka

increased European knowledge base and research capacity on the law, the economics and the business sciences of Sustainable Public Procurement.

The ESR will contribute to ambitious and carefully planned research, outreach, impact, and dissemination activities benefiting from the expertise of world-leading senior academics.

4. List of the required documents:

- 1) application for employment for the Rector of TUL;
- 2) annex-no.-1.1_personal-information-form, to The "OTM-R POLICY – OPEN TRANSPARENT MERIT-BASED RECRUITMENT";
- 3) annex-no.-1.2_data-privacy-statement-for-job-candidates, to The "OTM-R POLICY – OPEN TRANSPARENT MERIT-BASED RECRUITMENT";
- 4) annex-no.-1.3_consent-of-the-candidate-to-the-processing-of-personal-data, to The "OTM-R POLICY – OPEN TRANSPARENT MERIT-BASED RECRUITMENT";
- 5) self-report describing all previous and current research activities.

- full CV (with the relevant details for checking the eligibility criteria) including a list of publications if any,
- copy of Master's and Bachelor's Degree diploma with the transcript of records and final marks
- a certificate supplement containing information on the course of studies and obtained credits issued by the university which issued the certificate is also required. If the university has not issued a certificate supplement or the supplement does not contain the necessary information about the course of studies, the applicant shall provide the so-called Transcript of records (ToR), which is completed and approved (signed) by the university that issued the certificate;
- copy of Master's and Bachelor's Degree diploma and a certificate supplement or Transcript of records must be in the original language and an authorized English translation if they are issued in other language than English or Polish,
- a statement that the obtained second degree diploma entitles the Applicant to apply for a **doctoral degree** in the country where the certificate was issued, issued by the university which issued the diploma;
- grading scale: A certified explanation of grading scale in the original language and an authorized English translation if it is available in another language than English or Polish
- Letter of motivation: (maximum 1 page) briefly introducing yourself and explaining your reasons for applying for this particular studentship
- Documentation of English level: Documentation of English level can for instance be documented by an excellent IELTS or TOEFL test.
- Two reference contacts
- Master's thesis
- Draft of research project in the area of "Sustainability and Procurement (SAP) tools for circular textiles" (aims, scope, suggested research methods). This should include the following: (1) objective(s) of the research, (2) major research questions, (3) review of relevant literature, (4) methodology to be applied in the research.
- The project description must elaborate on the value of the proposed research project in terms of its relevance to existing and future research in the field. The project proposal must not exceed 6 standard pages, corresponding to approx. 12,000 characters (including curriculum, title, punctuation, figures, footnotes and references, but excluding bibliography) A substantial breach of this will result in the application being excluded from consideration.
- Publications
- Only documents in English can be accepted.

Politechnika Łódzka

Applicants should submit the above documentation (in a single zipped attachment) through the following email address: deanmngmt@adm.p.lodz.pl with object: **SAPIENS – Application ESR 14**

The deadline for application is **24.08.2023**

Applications failing to include the requested documentation or submitted after the deadline will not be considered.

Lodz University of Technology (TUL) is granted "HR Excellence in Research" award. Therefore, the recruitment process meets all the requirements and the principles underlying the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers. Lodz University of Technology is an equal opportunities employer, committed to promoting equality, diversity and fairness irrespective of age, disability, gender, pregnancy or marital status, race, religion or belief, sexual orientation or gender identity. TUL unit welcomes applications from currently underrepresented groups and will ensure that equal opportunities are guaranteed to each applicant during the selection procedure.

Candidates will be evaluated according to the eligibility criteria and the following criteria for the scientific evaluation:

- Educational track records
- Scientific quality of the CV
- Draft project
- Expected individual impact and benefit to the researcher and to the project
- Previous experiences in the subject areas relevant to the SAPIENS research programme.

Following the application deadline, the Associate Dean of Development will pre-select PhD applications that will proceed to the assessment stage upon the recommendation of the Selection Committee. Applicants are pre-selected for further assessment in line with the Faculty's recruitment needs as described in this job advertisement. This is carried out based on the overall assessment of the applicant's educational qualifications, the quality of the submitted research proposal and its relevance to the Faculty's research agenda, and other relevant qualifications (e.g. relevant professional experience, any previous academic publications etc.). All applicants are then notified by the HR Centre as to whether their application has proceeded to the assessment stage. The assessment is carried out by an expert assessment committee. Selected applicants will be notified of the composition of the assessment committee. A number of qualified applicants will be invited for an interview.

The eligibility and evaluation of the file will take place in August 2023.

Shortlisted candidates will be invited for a web interview (skype/ MS Teams) that will take place in August 2023 and positions will be offered to candidates following the approval by the Selection Committee.

5. The place, manner, and deadline for submitting the documents (as well as information concerning their return);

Applications will be accepted until 24 August 2023 in electronic or paper form at the secretary's office of the Faculty of Organisation and Management, Łódź University of Technology, p. 2.22, 221 Wólczańska Street, 93-005 Łódź.

Selection process

The evaluation and selection procedure is organized in 3 steps:

Data Privacy Statement for job candidates

Pursuant to Article 13(1) and (2) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation, Official Journal of the EU L 119/1), hereinafter referred to as "GDPR", we inform you as follows:

- 1) Lodz University of Technology with the registered office in Lodz is the Controller of your personal data;
- 2) We have appointed a Data Protection Officer to supervise the compliance of personal data processing, who can be contacted in matters concerning the protection of your personal data at the following e-mail address: iod@adm.p.lodz.pl; telephone number: 42 631 2039; or in writing to the address of our registered office: Lodz University of Technology, Żeromskiego 116, 90-924 Łódź;
- 3) As the controller, we will process your data for the purpose of the recruitment process for the position indicated, based on your consent (Article 6(1)(a) GDPR);
- 4) You have the right to withdraw your consent to the processing of your personal data at any time, but such withdrawal shall not affect the lawfulness of the processing effected on the basis of your consent prior to its withdrawal;
- 5) You have the right to lodge an objection against the processing of the data as set out above at any time. We will cease to process your data for these purposes unless we can demonstrate that there are compelling legitimate grounds for us to do so which override your interests, rights, and freedoms, or that your data will be required for the possible establishment, assertion, or defense of claims;
- 6) Your personal data provided in the CV, personal information form for the applicant for employment, and copies of documents supporting your professional experience, education, additional credentials and qualifications will be processed for the period in which claims related to the recruitment process may arise, i.e. for 6 months following the conclusion of the recruitment process. For individuals who have given their consent to the processing of personal data for the purposes of future recruitment, for a period of 12 months following the conclusion of the recruitment process during which the consent has been given;
- 7) Only individuals authorized by the Controller to process your data in the performance of their duties will have access to your data;
- 8) Your personal data will not undergo automated processing and will not be subject to profiling;
- 9) Under GDPR, you shall further have:
 - a) the right to access your data and to receive copies thereof,
 - b) the right to rectification (amendment) of your data,
 - c) the right to erasure/to be forgotten, restriction of data processing,
 - d) the right to data portability,
 - e) right to file a complaint to the supervisory authority - President of the Personal Data Protection Office, Stawki 2, 00-193 Warsaw.
